County Curfew in Effect/ COVID19 Testing Results- COVID-19 Update #17

Indian Creek Village Residents:

The Countywide curfew is still in effect until further notice, from 9 p.m. to 6 a.m.

The Village's COVID-19 drive-thru testing, administered by BioCollections Worldwide Inc. (BCW) yesterday Tuesday, June 2nd, was another success. The participants were again pleased with the high quality service provided by BCW.

A total of 37 were tested and none of these test results were positive.

As we all continue to transition into the "New Normal", let's continue to practice social distancing, wearing facial covering, and washing our hands regularly. We must continue to make the right choices to remain safe and healthy.

Village Government

Mayor Bernard Klepach
Vice Mayor Javier Holtz

Council Members:

Irma Braman
Robert Diener
Irwin E. Tauber
