Larvicide Treatments

Indian Creek Village Residents:

Effective November 1, 2021, larvicide treatments will occur every other week on Mondays. The last treatment occurred on Monday, November 8th. Treatments are usually suspended this time of year, however, due to high mosquito counts in the trap that is located in the Village, treatments will continue. The next treatment will occur on Monday November 22, 2021.

Village Government

Mayor Bernard Klepach

Vice Mayor Javier Holtz

Council Members:

Irma Braman

Robert Diener

Irwin E. Tauber
